- 01 For tasty gift wrapping, **Love Mae** has designed this ice-cream paper in delicious soft pastel colours.
- 02 Sweets for the sweetest young things. This cute little onesie features a brightly beautiful motif and feminine lace sleeves. Contact **Alex & Ant**.
- 03 **my2socks** offers yummy designs that keep your look cool and feet warm.
- 04 Pretty and practical – a **Davis and Waddell** ice-cream-cone jar to stock all your favourite summer treats.
- 05 “Time for something sweet ... to eat,” as Winnie the Pooh would say. **Nest Accessories** can help out with this clock, available in four ‘flavours’.
- 06 Jump and scream for ice cream! Contact **Seedling** for this skipping rope with strawberry swirled handles.
- 07 **Creative Tops**’ ‘Retro Treats’ range of tableware and accessories would not look out of place in a classic 1950s American diner. Shown here is the handled melamine tray.
- 08 RetroKitchen’s gelato cups with matching spoons come in a set of six different colours. Mix and match or colour coordinate them with your ice cream. Contact **SteadySticks Australia**.
- 09 Dripping in decorative style and finished off with sprinkles of fun – the raspberry-ripple Cornet bean bag is made for the young and young at heart. It’s by Spanish brand Woouf but is distributed in Australia by **iWorld**.

- 10 “I love shoes and sweets, so why not put them together?” asks Chris Campbell, from **Shoe Bakery**. These strawberry-flavoured ice-cream heels drip with chocolate syrup and are topped with multicoloured sprinkles and glossy cherries – they’re a wearable work of art.
- 11 A portable night light for sweet dreams. Available in mint, vanilla and strawberry. Contact **Delight Decor**.
- 12 Off on holidays? Don’t forget to pack this **Seedling** paddle-ball game in your beach bag, for fun in the sun.
- 13 The **Seedling** pen is a treat to write with. Plus it’s a plaything: the scoops can be stacked in any order.
- 14 Complete your summer look with **blossom & cat**’s triple-scoop earrings. They’re laser cut from maple wood, hand painted and satin varnished.
- 15 **MossyJojo**’s good taste in design is evident in its artwork. Check out this contemporary cone print.
- 16 “There’s something about jute that draws me in ... the fibre, the texture, the natural hue and the earthliness,” says Liza, from **Jute Designs**. We love this watercolour ice-cream-sundae cushion.
- 17 These **Davis and Waddell** measuring spoons are worthy of centre-stage display in your kitchen.
- 18 **Sack Me!** whipped up this creamy and dreamy reversible quilt cover. It comes in sizes single to king, is made from cotton sateen and has a thread count of 300.
