

make it personal

A touch of paint, a little TLC and a lot of country style make this home a welcoming retreat.

1 If you love a hot breakfast, this Rise & Shine six-piece wire breakfast set is sure to get you off to a good start for the day. Red makes a punchy addition to a kitchen, too! It's \$19.99 from Davis & Waddell. 2 Add vintage-style charm to your home with a grouping of clocks and mirrors and a white slipcover on your sofa. Everything shown here is from Country Homes & Interiors. www.argyleimports.com.au 3 Nothing adds a party feel to a room like bunting! Drape it around your dining area for true fun. This Country Bunting from iDecorate is \$58 for five metres. 4 Vanessa uses chalkboard messages around her home, but if you don't love a dusty mess, go for this *Make Today Ridiculously Amazing* print, \$35, from Down That Little Lane. With a realistic feel, try it framed without glass. www.downthatlittlane.com.au 5 Distressed finish items are well suited to a country home, especially in a mix of beautiful paint colours and finishes. The cupboard and frame shown here are from Country Interiors. www.countryinteriors.com.au 6 Detailed embroidered cushions look right at home on Vanessa's sofas. For a similar look, try this hand-embroidered cushion in sky blue, \$129 not including insert, from Vavoom Emporium.
