The inside track on potted plants

Indoor plants are climbing to the top of interior design trends this season, writes Robyn Willis

↑ Lively different plant varieties and pots with colour. The white jolly planters from Angus & Celeste are suspended by steel cabling. angusandceleste.com.au

➤ The humble terracotta pot makes a charming display, showcasing light-loving succulents.

↓ Rest easy with a trailing plant like devil's ivy to improve your air quality. The Somers cotton chenille bed cover is from Linen House. linenhouse.com.au

☞ Succulents on the table make a great alternative to cut flowers, as the Terrain collection from Davis & Waddell shows. davisandwaddell.com.au
