

# SPICE IT UP

**INSPIRED BY THE RICH COLOURS OF MIDDLE EASTERN DÉCOR, WE'VE PUT TOGETHER A COLLECTION OF DÉCOR ESSENTIALS TO SPICE UP YOUR KITCHEN. THIS MONTH WE'RE LOVING NATURAL MATERIALS AND A SPLASH OF FIERY RED.**

**The Big Tablecloth Company**

Elegantly oversized, The Big Tablecloth Company's designs are specifically manufactured to drape beautifully over larger dining tables. And don't fret about sticky fingers, they're all machine washable. Natural weave tablecloth **\$245.00**, [bigtablecloths.com.au](http://bigtablecloths.com.au)

**Davis & Waddell Bamboo Mortar and Pestle**

Part of the Essentials collection, this sleek mortar and pestle is as practical and affordable as it is pretty. **\$29.99**, [davisandwaddell.com.au](http://davisandwaddell.com.au)

**Rediscover Ceramics and Dishes**  
Add flavour to your table with a side of style. **\$135**, [rediscoverceramics.etsy.com](http://rediscoverceramics.etsy.com)

**Woodwick Galerie Raspberry Yuzu**

This candle smells deliciously edible with sweet raspberries, green rhubarb and tangy yuzu - yum. **\$34.95**, [splash.com.au](http://splash.com.au)

**XD Design Red Tower Pepper Mill**

We like our pepper grinders extravagant, and this extra-tall (we are talking 42 cm), restaurant-style grinder ticks all the boxes. Made from lacquered wood with ceramic grinders, its slimline design makes it easy to handle. **\$64.90**, [thedesigngiftshop.com](http://thedesigngiftshop.com)

**Memobottle**

Flat is the new round. Lightweight, A5 sized and conveniently narrow, Memobottle is a chic way to ditch wasteful water bottles. **\$36.00**, [memobottle.com](http://memobottle.com)
